Final Note by the Minister for Education and Public Health

Subject— Construction of a first floor to the Radiology Block in the Victoria Hospital, Bangalore.

Dharmaprakasha Mr. B.M.Sreenivasiah, Proprietor, Mysore Chemical and Soap Works, Bombay, donated a sum of Rs.35,000/- in the year 1932 for the construction of a separate block for housing the Radiology and Electro-Therapy section of the Victoria Hospital, Bangalore, and equipping it. A block was accordingly constructed in the name of Mr. B.M.Sreenivasiah and it is called "B.M.Sreenivasiah Radiology Block" and is being used for out-patient treatment. In March 1945, Mr. Sreenivasiah came forward with a further donation of Rs.25,000/- (Rs.20,000/- for building and Rs.5,000/- for equipment) for adding a first floor to the existing block for the purpose of inpatient wards and also providing with a decent portico, an elegant fountain and an electric lift and requested the Government to accept his donation and name the ward as "Mukundadas Ward" in memory of his late father.

The donation was acknowledged with thanks and the Senior Surgeon was requested to submit proposals for the extension of the Radiology block as desired by the donor. The Senior Surgeon has submitted plans and estimates for Rs.72,830/- for the construction of the first floor and requests administrative sanction to the estimate, the excess of the cost over the donation offered being met out of the funds of the Public Works Department. The Chief Engineer for Roads and Buildings has corrected the estimate to Rs.61,000/-.

It is proposed to sanction the recommendation of the Senior Surgeon subject to the revision of the estimate made by the Chief Engineer. The Dewan and the other Ministers agree and I solicit the gracious sanction of His Highness to the proposal.

Esteemed Sir,

I beg leave to place before your goodself the following proposal regarding the improvement of the B.M.SREENIVASIAH RADIOLOGY INSTITUTE, Victoria Hospital, Bangalore City.

About ten years ago, it was my privilege to contribute a sum of Rs.30,000/- for the construction of the Institute. I have also furnished it at a cost of Rs.5,000/-. Even then, it was my idea to construct the first floor at a later opportunity. Time not only justifies the extension but also proves its urgency and indispensability.

My present desire is, however, not only to provide the building with a first floor, but also, to add a decent portico, an elegant fountain at the front and an electric lift for the convenience of the patients. A portico with proper elevation and a fountain opposite to it, will add to the beauty of the Institute. I presume, the Government will be pleased to agree with me, that an electric lift is a necessity,

necessity, though its actual installation may stand over till the "day of peace"

I request that the Government may be pleased to reserve the entire first floor exclusively for beds and named after my late father, "MUKUNDADAS WARD" in deference of my memory of him.

I hereby offer, happily, Rs.20,000/- immediately and shall donate a further sum of Rs.5,000/- for the provision of beds and allied equipments, after the completion of the structure, thus making up a total contribution of Rs.60,000/- to the Institute.

A rough plan of the intended structure is attached for consideration.

I shall be glad to credit the said sum of Rs.20,000/- to the Government on receipt of instructions.

I remain, Esteemed Sir,

Yours sincerely,

B.M.SREENIVASIAH.

No. P. 1051

Respected Sir,

I wish to make a respectful expression of my desire to add a first floor to the "B. M. SREENIVASIAH RADIOLOGY INSTITUTE" Victoria Hospital, Bangalore City.

In this connection, I may state that the cost of the ground floor construction has included a donation of Rs.30,000/- from me and the furnishing has taken in a further sum of Rs.5,000/-.

I feel that there is now a real need for a first floor, both for more space and more impresiveness of the entire structure. I am also keen that the addition of a suitable porch and a fountain in the lawn would improve the frontage of the building and the beauty of the premises respectively. I am sure that the provision of an electric lift, at least after the war will be appreciated by the public. Towards this suggested improvement, I offer a donation of Rs.20,000/- forthwith and also undertake to contribute a further sum of Rs.5,000/- for necessary equipment after construction, in harmony with the purpose for

for which the first floor is intended. The totalcontribution towards the building of the Institute and the equipment referred to will thus reach an aggregate of Rs.60,000/-.

I shall be very grateful, if the Government would respect my desire to name the first floor after my father, whose memory is dear to me, as "MUKUNDADAS WARD" and to use the entire space therein only for "beds".

I shall be glad to credit the first instalment of the promised donation i.e., Rs.20,000/-, on receipt of instructions from the Government.

I take leave to inform you that I have also addressed the Dewan Sahib on the subject.

I remain, Respected Sir,

Yours sincerely,

I have great pleasure in enclosing a cheque for Rupees Twenty thousand (Rs.20,000/-) on the Bank of India Ltd., Bombay, of date under No.T.2514086, being the first instalment mentioned in my letter dated 11th March 1944, towards the construction of the first floor on the "P.V. Sreenivasiah Radiology Institute".

I note with gratitude that the first floor will be used as a ward and named after my late father "Mukundadas X Ward". After the completion of the building I shall pay the balance of Rs.5,000/- for providing beds etc.,

I hope that the Government will be pleased to proceed with the construction work as early as possible.

Encl. Cheque.

EDUCATION SECRETARY Sir, No. Dated 11/10

Sub:- Construction of a 1st Floor to the existing [redacted]. Sreenivasiah Radiology Block, Victoria Hospital, Bangalore.

- - -

With reference to your letter No.M.1464 dated 24th August 1944, I have the honour to submit herewith plans and estimates amounting to Rs.65,700/- received from the Executive Engineer, Buildings Division, Bangalore for the construction of a first floor to the existing B.M. Sreenivasiah Radiology Block, Victoria Hospital, Bangalore. In the abstract estimate for Rs.65,700/- for the work, a provision of Rs.6,000/- has been made for providing sanitary fittings. Against this estimate the Executive Engineer has sent a modified estimate for Rs.13,130/- and the total estimate for the whole work comes to Rs.72,830/-. I request that administrative sanction of Government may be obtained for the construction of the building, the cost being met from the donation of Rs.20,000/- paid by Dharmaprakasa Mr.B.M.Sreenivasiah, the balance being met from the funds of the Public Works Department. Sanction of Government may also be obtained for naming the first floor after the name of the donor's late father as "Mukundadas ward". At the request of the donor, a plan has been obtained for the construction of a portico to be added to the Radiology block. The same has been returned duly approved to the Government Architect for furnishing me with a detailed estimate through the Executive Engineer. This estimate will also be submitted to Government on receipt.

The donor has promised to give a further donation of Rs.5,000/- for the provision of beds and allied equipments after the building is completed. Proposals for additional staff etc., that may be required for the first floor will be submitted before the building becomes ready for occupa-
